

TUESDAY IS 100TH DAY OF SCHOOL

Every year MLS-Sherwood does something fun and exciting for grades 1-4 to celebrate the 100th day of school. This year they've chosen a couple "at-home" projects to give the parents a chance to participate. They've already brought many ideas for games to play with a "100th day-of-school" theme and the students have also been asked to decorate (with some parental assistance) a provided t-shirt celebrating 100th day. They are to wear their t-shirt Tuesday to show off their creations. The students love this celebration each year not only because it's fun but it also reminds them of how far they've come in the school year!

BASKETBALL FOR THE LITTLE ONES IS STILL ON!

Last Tuesday night, due to a power outage the basketball games for MLS Mavericks had to be moved to Mohall. Unfortunately, the students grades 1-4 were unable to play their basketball that night. MLS-Sherwood has decided to let them show off their talent Tuesday, January 29th at 2:50 at the school. This is all part of the 100th day celebration. They've been working really hard and would love you to see their skill. Come check it out!
