Week 27

Reading Month Is Officially Done

The students and teachers of MLS-Sherwood wrapped up the last of the Reading Month activities this past week. They traveled to MLS-Mohall and took part in some afternoon activities along with the Mohall students. All of February was filled with fun ways to encourage students to read, read, and read some more. The following pictures were taken on a day when friends and family were invited to a special time of reading together. The multipurpose room was filled with those invited. Thank you to all who participated. The students LOVED IT!!

4th grader Autumn Smith was excited to have her dad, Jeff, come and read with her. (Jeff was so happy to be there with Autumn that he wanted me to take his picture!)

Mrs. Ziliak and other teachers kept things under control until it was time to read. (Even a former teacher of Sherwood couldn't resist the fun of reading. Can you find him in this picture??)

After their time of reading, the guests, students and teachers were treated to some delicious goodies.

Thank you cooks!

(The banana bread was very yummy.)

Thank you staff for all your hard work and making February a time to experience reading in a fun and exciting way!

MLS-Sherwood PTO Carnival - Mark Your Calendars!

Our upcoming PTO carnival is a great way for the PTO to raise money for the Sherwood school. Money raised is used for activities such as field trips and buying supplies for the classrooms.

The carnival will be March 23 from 6-9 p.m. Many activities are planned for the evening including games, bingo, food, cake walk, raffle, MLS-Sherwood elementary art contest and plenty of prizes. Anyone interested in helping out in any way is encouraged to call Heather Volk (chair of carnival) 459-2289 or Roxanne Ellingson (PTO president) 459-2256.

Chocolate Fever

One day Henry ate so much chocolate he had chocolate spots all over his body. The doctors were going to poke him with needles so he ran away.

He ran into a garage. Then he got a ride from a truck driver. After a while when they stopped, two bad guys told them to get in the back. Then they got to a cabin.

When they got into the cabin a bunch of dogs took the two bad guys down. Mac and Henry called the cops. Then they took the truck full of candy to a candy store and the person who owned the candy shop told Henry how to stop the chocolate fever. Henry went back to normal.
