Local Weather Man Visits MLS-Sherwood

Pictured at left: Abi Klokstad helping KX13's Tom Schrader with a demonstration of static electricity and its relation to lightning.

Tom Schrader came to the school Wednesday and gave the students a very informative lesson on weather. There was a Q&A session where kids were able show their curiosity. There were many giggles and lots of questions. Mr. Schrader was very impressed by the students' manners and how well they listened. He goes to a large number of schools and that's hard to come by!

ANNUAL MLS-SHERWOOD PTO DANCE IS ON!

The annual PTO dance will be held Friday, April 12th at 7:00 in the multi-purpose room of the Sherwood school. The students LOVE this event! It gives them a chance to get dressed up and show off some of their dance moves. Parents are encouraged to come, too!

Remember the day when this was a family event?? Parents and their children would share the dance floor. I have great memories of my parents dancing together right along with all my classmates' parents. Good times!

LAST DAY OF SCHOOLYEAR
