Next **Friday, May 10th @ 2:30** is the annual kindergarten program. This is an opportunity for the kindergarten students to show what they have learned this last year and also celebrate their accomplishments with family. **Tuesday, May 14th** will be the field trip to the Sherwood Fire Station. Mrs. Ziliak has ties with one of the local volunteer fireman and has arranged for a tour of the fire station to give kindergarteners an inside look at the equipment and what they do as firemen.

YUMMY RECIPES!

Not excited about just the usual hamburger?? Try something different with a bit of pizzazz! This goes over great with the students at Sherwood School, why not try them at home?

Pizza Burgers

Brown hamburger, diced onion, salt and pepper. Drain fat. Add pizza sauce, garlic salt, and brown sugar. (My mom always taught me to add brown sugar to any tomato base) Add shredded cheddar cheese and mix well. You could also add pepperoni, mushrooms, ect. Spread on open faced buns, top with mozzarella cheese and put in oven until cheese is melted. (*Disclaimer: All amounts for this recipe are based on the cook's personal taste and preference.*)

Next Sherwood Wildcat All-School Reunion is on for Tuesday, May 14th 7:00 at the New Northern Lights.

Lots of details are being hammered out at these meetings. Thank you to all who have been involved in the planning process. It takes a lot of thinking and a little stress in making sure things are on track but you've all kept it fun to be a part of it!! And for those of you who haven't been able to be directly involved, please be patient. We are doing our best to make this summer's reunion a successful one. Thanks everyone!

NEEDED FOR REUNION: We are in need of more teams for the **Cook-off Contest**. If you are interested in participating contact Allen Engh or Gladys Lakefield for more info. There will be an **Art & Craft Show** held at the Sherwood Public Library. Those interested in selling or displaying their items can call Marian Lozensky at 459-2261 during library hours to find out more.

Also, Marian at the library will be taking some time off May 8th-27th so if anyone is interested in volunteering at the library, please call and let her know. If you plan on visiting the library any of those days it may be a good idea to call ahead and make sure someone is going to be there.

BOUNTIFUL BASKET ANYONE??

Please google Bountiful Baskets and see if you would like to have them drop off fresh fruits and vegetables to our area. You can google Bountiful Basket images and see actual pictures of the kinds of fruits and vegetables that are in a basket twice a month. The cost is \$16.50/basket; for an added cost you can add some things like breads or herbs. This is a coop that is run by volunteers so we would have to have a soft commitment from people to help if we are to have it in our area. I will be going to Lake Metigoshe on Saturday for training. It has been a hit in the Bottineau area and they now have opened a second sight at the lake. Please contact me for more information.
