

## 2012-2013: A Whole New Year Of Excitement At MLS-Sherwood

I'm going to go out on a limb here and say Sherwood was probably the only school in America that was lucky enough to have a leprechaun greeting the students on their first day of school. MLS - Sherwood School started classes Thursday, August 23rd. Enrollment for the elementary was 43 children K-6. As in the past few years, they were able to sign their names and show off some artwork on the front sidewalk. There were plenty of smiling faces and laughter filling the halls. The inviting aroma of pancakes filled the air as upon entering the school; a reminder to the students and staff that they will have some great meals to look forward to.

**Above: A "lucky leprechaun" was there to wish the students "good luck" and hand out treats for the first day of school. Lainey Schmidt (daughter of Lynn and Ardelle Schmidt) is new to the school this year and to Mrs. Daeley's 3rd grade. Lainey is full of smiles and energy and is excited to be a part of MLS-Sherwood.. We are definitely glad to see her smiling face! Any guesses on the identity of the leprechaun??**

## MLS-Sherwood Kindergarten

Izik May (son of Nycole and Mike Bell), Mrs. Jody Ziliak (teacher), Abby Buynak (daughter of Norman and Sarah Buynak), and Emilee Underwood (daughter of Todd and Christian Underwood).

**Below: Brad and Sarah Beckedahl have moved to Sherwood from Minot and added to the MLS-Sherwood student count. Conner (on left) is in 1st grade and Aydan (on right) is in the 2nd grade. So exciting to see new faces!!**
